

Eastern Box Turtle Individual Form (05/08/2020) Northeast Eastern Box Turtle Working Group	Site Name:
	Site Code:

Survey Type: Feature OR Plot → # 1 2 3 4 __ Track Recorded

Date:	Time:	Visit: <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> 3 <input type="checkbox"/> __
-------	-------	---------------------------------------------------------------------------------------------------------------------

Observer(s): Dog Capture

Turtle ID# :	Sex (M/F/U):	Age (A/J):
--------------	--------------	------------

Waypoint ID:	<input type="checkbox"/> Unmarked <input type="checkbox"/> Marked 1st Capture <input type="checkbox"/> Within yr recapture
--------------	----------------------------------------------------------------------------------------------------------------------------

Coordinates (dd.dddd):

SCLmin (mm):	PIT number:
--------------	-------------

CW*:	Wear class (right pectoral): <input type="checkbox"/> 0% <input type="checkbox"/> ≤50% <input type="checkbox"/> ≥50% <input type="checkbox"/> ≥90%
------	----------------------------------------------------------------------------------------------------------------------------------------------------

AntSPL*:	Visible annuli:	<input type="checkbox"/> gravid <input type="checkbox"/> not gravid
----------	-----------------	---------------------------------------------------------------------

PostSPL*:	Health: <input type="checkbox"/> lethargy <input type="checkbox"/> URT distress <input type="checkbox"/> sores <input type="checkbox"/> other
-----------	-----------------------------------------------------------------------------------------------------------------------------------------------

SPLmin (optional):	Injuries: <input type="checkbox"/> tail <input type="checkbox"/> eye <input type="checkbox"/> limb (specify)
--------------------	--------------------------------------------------------------------------------------------------------------

PW*:	Scute morph: <input type="checkbox"/> normal <input type="checkbox"/> irregular (specify below)
------	-------------------------------------------------------------------------------------------------

SH*:	Distance to (m)... Ecotone: Mature forest: Shrub/Herb:
------	--------------------------------------------------------

Mass (g):	<input type="checkbox"/> Calipers used Photo ID #s:
-----------	----------------------------------------------------------------------------------------

Indicate notches/injuries	Tissue: <input type="checkbox"/> blood <input type="checkbox"/> toenail <input type="checkbox"/> shavings <input type="checkbox"/> other:
---------------------------	-------------------------------------------------------------------------------------------------------------------------------------------

Comments:

*CW = max width of shell; AntSPL = SPL anterior to hinge; PostSPL = SPL posterior to hinge;
PW = width of humeral-pectoral seam; SH = maximum shell height
